Business

- First round Buy-backs
 - Buy backs are a big hit and are working well with the windshield dots and paying at the ADRA trailer.
- Race director
 - Bill Kingsland is back for the remainder of the season to assist as Race Director.
 - Sarah Kidd will be a part time race director, (when she's there. She has a schedule for Junior races that conflict with some of our races, like our February races). She will be there for the April 11th race!
 - They will be a team in the lanes and the tower. We'll get quick updates and be able to police the lanes to make sure racers are paid up, especially the buy backs.
- We have a request to add a sportsman class for slower cars to our club
 - We do not have enough interest or staff to be able to run an additional class

As always, thanks to all of our sponsors. We couldn't do it without you!
